

## **Mount Pleasant Library**

### **Yes, You Can Still Get Books and Movies from the Library**

You can still check out books and movies from the library. The library is observing the social distancing recommendation from the CDC; thus, the building is closed for public health. However, staff are still here to serve the community for book and movie pickup services.

Simply call the library between 9am and 2:30pm (Monday through Friday) with your requests (319-385-1490). The materials will be pulled by the staff and placed on the wooden bench in the atrium. Simply come into the atrium and pickup your materials. Email requests can also be submitted to [mtpleasant.director@gmail.com](mailto:mtpleasant.director@gmail.com) or [mpreferencelibrarian@gmail.com](mailto:mpreferencelibrarian@gmail.com)

Senior centers can also request materials for pickup.

As always, our electronic books, downloadable audiobooks, and electronic databases are available from your home as well. Please contact us if you need assistance with electronic resources.

We plan on conducting electronic programs that can be streamed online.

A guiding principle of library service is that information is necessary in a free society, especially in times of social unease or distress.

This pickup service will continue unless a more restrictive quarantine is required by national, state, or local authorities.
